### **Speaking Life Into The Territory:**

As the Ekklesia, we are the governing body of Christ, called to legislate in the spiritual realm and establish God's kingdom on earth. The opening of a second abortion clinic in our territory is not aligned with God's will, for He is the Creator of life. Scripture tells us in Matthew 15:13: *"Every plant which My heavenly Father has not planted will be uprooted."* Let us unite in prayer and declare the Word of God to uproot this work of darkness. Together, we believe for the wells of this source to dry up, rendering this place unfruitful and its purpose defeated.

### **Prayer for Our Territory**

Heavenly Father,

We come before You in the name of Jesus Christ, taking our rightful place as the Ekklesia to legislate Your will over this region. We boldly declare that this abortion clinic has not been planted by You, and according to Your Word in Matthew 15:13, every plant not planted by You will be pulled up by the roots. We stand in agreement that this clinic will bear no fruit, and its operations will cease in Jesus' name.

We command the wells of this source to dry up. No one will drink from them, and all financial and spiritual resources fueling this place of death will be cut off. Just as You dried up the Red Sea to deliver Your people, we ask You to dry up every supply line that sustains this work of darkness. Let its plans fail and let its doors close permanently.

Lord, frustrate the plans of the enemy and expose every hidden scheme. Release Your truth and light into this region, bringing conviction, repentance, and salvation. Let every woman seeking this clinic encounter Your love, peace, and provision. Raise up Kingdom resources to support women, families, and unborn children, so they are empowered to choose life and experience Your hope and provision.

Father, we decree Your life, righteousness, and justice over this territory. Let Your Holy Spirit hover over this region, bringing transformation and restoration to every person who feels lost. Establish Your plans and purposes for this community and uproot every work of darkness. We declare that this territory belongs to You, and we invite Your kingdom to reign here. Let life, righteousness, and justice prevail in the name of Jesus.

Amen.
