

Celebrating the Hebrew Month of Av & Prayers and Decrees

Today marks the beginning of the Hebrew month of Av, a significant time in the Jewish calendar. As an apostolic equipping center, Kingdom Center Rockford invites you to understand its profound meaning and align with God's divine blueprint for the months.

Drawing inspiration from Chuck D. Pierce's book "A Time to Advance," we explore the depth of this month:

Av at a Glance:

- **Month:** Av (30 days - July/August)
- **Alphabet:** TET - resembles a womb; a month when the earth contracts, moving the secret of pregnancy into the earthly realm.
- **Tribe:** Simeon - to hear; be concerned.
- **Characteristics:**
 - Metamorphosis or disintegration.
 - The month the Lion roars. (Amos 3:8)
 - A time of destruction and reconstruction by God.
 - Develop a new level of discernment based on what you hear.
 - Listen carefully for key impressions.
- **Constellation:** Leo (the lion) — representing the divine will of the Father being executed.
- **Color/Stone:** Green/Emerald.

Av, the fifth month of the Jewish calendar, holds both a history of sorrow and a promise of redemption. It is a month where key events have shaped the destiny of Israel, often marked by destruction due to unbelief. The 9th of Av, in particular, is significant in Israel's history, being a day associated with tragic events.

A Choice to Break the Cycle: Av presents us with a crucial choice:

- **Receive a Curse or Break a Curse.**
- **Believe God's Promise or Enter God's Blessing.**

Let's choose to mix His promise with faith, transforming this month into a time of blessing. Av is also the month of Simeon, and through the redemptive power of Jesus, we can overcome iniquitous patterns in our lives.

Spiritual Significance:

- **Hearing and Understanding:** Av is a month to hear and understand. Decisions made now will have lasting impacts.
- **The Lion Roars:** This month is about the divine will being executed and creating a prophetic covering (Amos 3:8).
- **Partnership and Discernment:** Be mindful of your partnerships and seek new levels of discernment.

Embrace the Promise: The letter TET, associated with Av, symbolizes a womb, indicating that new things are being conceived and will manifest. As we align with God's purposes, let's walk in freedom, break past curses, and enter into the blessings He has prepared for us.

Encouragement: As we journey through Av, let's embrace its potential for transformation. Seek His guidance, develop discernment, and allow God to reconstruct areas of our lives that need change. May we roar with the Lion of Judah, proclaiming His will on earth as it is in heaven.

Blessings in Av,
